#### Endeavor Elementary School

Brody Hammons is a strong, spirited 9 year old boy fighting Duchenne Muscular Dystrophy, a fatal muscle disease with no cure. He is a third grader at Endeavor Elementary and loves playing with his brothers and sisters, playing video games, being a cub scout and being involved with sports. Brody is in the fight of his life as there is a drug that has the potential to save his life but it is pending FDA approval. All proceeds will go to two non-profit organizations, Charley's Fund and Parent Project Muscular Dystrophy, as they fight to save Brody and boys like him. For more information on the fight to find a cure for Duchenne, please visit [www.charleysfund.org](http://www.charleysfund.org) and [www.parentprojectmd.org](http://www.parentprojectmd.org).
